Ladies and Gentlemen:

I have been retained by Tradestar Resources Corporation (the Issuer) for the purpose of rendering my opinion as to whether there is adequate current information available on the Pink Sheets IQ News Service regarding the Issuer and related matters. Pink Sheets LLC is entitled to rely on this opinion in determining whether the Issuer has made adequate current information publicly available within the meaning of the Securities and Exchange Commission Rule 144(c).

I, the undersigned attorney, am a U.S. resident and have been retained by the Issuer for the purpose of this opinion and related corporate and securities law matters. I have been retained to review the current information supplied by the Issuer and as its ongoing disclosure counsel. I am licensed to practice law in the State of Colorado. This opinion is limited to the laws of the United States. I am permitted to practice before the Securities and Exchange Commission and have not been prohibited from practice before the Commission.

For this opinion I have examined such documents as I have deemed necessary and appropriate for this opinion, including but not limited to those listed below and believe the sources of such documents to be reliable.
