

Tradestar Resources Corp.

PRESS RELEASE

Tradestar Meets PinkSheets.com's Fully-Reporting Status

HOT SPRINGS, AR--(MARKET WIRE) – September 12, 2007 – Tradestar Resources Corporation (Other OTC:[TSRR.PK](#) - [News](#)) announces they have met all corporate and financial information requirements and have been recognized as fully-reporting by Pink Sheets, LLC.

The “Current Information” designation on PinkSheets.com is part of a new classification system initiated on August 1, 2007 to alert investors about a company’s ability and willingness to provide adequate public disclosure in a timely manner. In meeting the requirements of their new status, Tradestar provided financial statements, extensive corporate information and additional disclosure documentation to Pink Sheets, LLC; all documentation, including an attorney’s opinion letter, is available for review at www.tradestar-corp.com.

Having met Pink Sheet’s Current Information status, Tradestar Resources is now prepared to fulfill all additional requirements necessary for an OTC:BB listing.

About Tradestar: Tradestar Resources Corporation is an independent energy company engaged in the exploration, development, exploitation and acquisition of on-shore and natural gas properties in conventional producing areas of the United States. Tradestar strives to enhance asset value by expanding oil and natural gas reserves raising production levels and increasing cash flow. Tradestar intends to foster its growth as an independent oil and gas company by investing in only proven producing wells.

Additional company information is available at www.tradestar-corp.com.

Disclosures: “Safe Harbor” statement under the Private Securities Litigation Reform Act of 1995: This press release contains forward-looking statements that are subject to risk and uncertainties, including, but not limited to, the impact of competitive products, product demand, market acceptance risks, fluctuations in operating results, political risk and other risks detailed from time to time in Tradestar Resources Corporation’s filings with the Securities and Exchange Commission. These risks could cause Tradestar Resources Corporation’s actual results to differ materially from those expressed in any forward-looking statements made by, or on behalf of, Tradestar Resources Corporation.
